Wilmington Little League Defeats Woburn In Tight Game

WILMINGTON LITTLE LEAGUE WINS AGAIN

The Wilmington Little League has won again. Defeating Woburn, last night, 11 to 10, has placed Wilmington up one more step, in the Little League Tournament.

Wilmington will face Assabet Valley, in the Woburn Little League Grounds, Thursday at 5:30 p.m., in the Quarter Finals. Assabet Valley defeated Lexington last night, by a score of 9 to 1. The Assabet Valley league is composed of three towns, to the west of Concord.

In other district games, last night, Stoneham beat Lynnfield 10 to 2, and Billerica beat Chelmsford 8 to 7. Stoneham will now play Billerica, in Billerica, Thursday evening. The winner of this match will play the winner of the Wilmington-Assabet Valley Match, on Saturday, in Woburn at 2:30 p.m.

In the pitcher's box against Assabet Valley will be Johnny McCabe, the boy who pitched the game against Burlington last Saturday.

WILMINGTON 11 WOBURN 10 IN SLUGGERS DUEL

In what was strictly a slugger's duel, Wilmington defeated Woburn, in the Little League finals, last night, by a score of 11 to 10. Dick Hersom and Eddie Casey lead the Wilmington sluggers, by hitting home runs, and in the best use of their bats, during the game, while Paul Kierstead and Guy McCallizzi played a good game of ball, in the battery. Bill Hunnefeld, in left field made two very good catches, and an amazing throw to home plate, to help keep the Woburn score down.

The game was not unmarred by accidents. Hunnefeld was struck, lightly, by a pitched ball from Redfern, the Woburn pitcher, while Redfern fell, the victim of a fast ball from Kierstead, which struck Redfern's head.

A strong rally, by Woburn, in the sixth inning, was stopped by Dick Motolo, a substitute player in right field, who caught a fly ball from Charlie White, the Woburn catcher, and thus ended the game.

The batting star for Woburn was Charlie DeRosa, who played right field. DeRosa hit a homer, and a two bagger. Two other Woburn players hit two baggers, Romie Redfern (pitcher) and Don McGowan, third base.

ST. DOROTHY'S TO OBSERVE FORTY HOUR DEVOTION

Sunday Masses at St. Mary's 7, 9:30, 10:30 and 11:30. At Silver Lake 10:30 and 11:30. Weekday Masses at 7:45.

Novena Services on Mondays at 7:45.

Confession Thursday evening at 7:30.

On Friday morning at 8 o'clock we shall have the opening of the Forty Hour Devotion. This devotion was introduced into the church in order to commemorate the forty hours Our Lord's Sacred Body was in the tomb. All who confess and receive Holy Communion and visit the church during the three days and pray for the intentions of the Holy Father may gain a plenary indulgence. For each visit there is a partial indulgence of ten years and 10 quarantines. We shall have Mass on Saturday at 8 a.m. — a Mass for Peace, and the reposition will take place on Sunday at the 11:30 Mass. We trust that all will visit the church during this time and, being truly repentant, receive the blessings that only our religion can give.

There will be a house party on Friday night at the home of Mrs. Charles Baldwin on Jones avenue. This party will take place on the grounds about the house. We would like the ladies who are interested in helping at the Silver Tea, to be held on August 14th to contact Mrs. Tattersall as soon as possible.

Chance books are now available on an automatic washing machine in conjunction with the parish festival to be held on August 24 through August 27. Contact Gerald O'Brien for books, or any of the Holy Name officers.

Banns of Marriage II James Stevens and Marie Basile. Banns of Marriage III Nathan Sophos and Theresa Wagner. Carmen Salvati and Margaret Moakley.

STOLEN BICYCLE

An English bicycle, black, was stolen from the home of Ralph Orne, on Beverly road, about 3 p.m., on July 22nd. The bike had no registration number.

MONEY STOLEN FROM HOME

Twelve or thirteen dollars in dimes and quarters were stolen from the home of Richard O'Connell, Railroad avenue, sometime during the evening of July 22. O'Connell discovered the loss when he returned home at midnight.

THE LITTLE LEAGUE TOURNAMENT

The Little League Tournament is in full swing. In New England and Eastern Canada there are 7000 boys, in 270 leagues, who have their eyes and hopes placed on the City of Williamsport, Penn., where the Little League World Series will be held, starting on August 21st. Playing at Williamsport will be the District Champions from all over the country, and New England and Eastern Canada is District One.

The representative team from Region One will be chosen in Woburn, starting on August 13th. Four teams will be entered, one from each of the four sections in Region One, and one will emerge as the victor, on August 15th. The "tab" for the Legion Tournament is being paid by Aleppo Temple, of the Shrine. They have already deposited with the Little League officials a check for \$1200, to cover the cost of feeding and keeping the boys of the four teams, during the tournament, and for providing entertainment and prizes.

Region One is divided into four Sections, and each of the Sections are divided in turn into four Districts.

The four Sections are (1) Connecticut and Western Massachusetts; (2) Cape Cod, Rhode Island and Central Massachusetts; (3) Greater Boston; and (4) Maine, New Hampshire, Vermont and Eastern Canada. The championships for the four Sections will be decided on August 9th. Section One will play its finals in Waverly, Rhode Island. Section Two in New London, Section Three in Woburn and Section Four in Portland, Maine.

Section Three, the Greater Boston Section, is divided into four Districts, with (roughly) Norfolk and part of Suffolk counties in (1); South Middlesex county in (2); Eastern Middlesex County in (3) and Essex County in (4). There are 32 leagues in District Three, Section Three, Region One, including our own Little League. The District Championships are to be decided on August third, with games in each of the four Districts of Greater Boston.

In order to play in the District finals, a league must have first survived four games, with other leagues. Each of the games are called a "round", and the loser in each round is automatically eliminated.

Round One, the first game, was on July 23rd. 28 leagues played on that day, with the Reading leagues not playing, because of a local championship contest. Bed-

cont. on page SIXTEEN

ALBERT CROWELL IN U.S. NAVY

Albert Edwin Crowell, son of Mr. and Mrs. Chester M. Crowell of Hillside Way, Wilmington, recently enlisted in the U.S. Navy and is presently undergoing Recruit Training at Bainbridge, Maryland, the Navy Recruiting Station

announced today.

Albert graduated from Wilmington High School in 1955 and indicated he was interested in learning a trade while in the Navy. Upon completion of nine weeks basic training, Albert will receive fourteen days leave before reporting to his next duty station.

DEMOLITION CONTEST AT WEST PEABODY SPEEDWAY

This Saturday night July 30th, the West Peabody Speedway will feature a Trophy Race.

During the evening, the Tanner Drum and Bugle Corps will perform on the track infield.

Driving in the Demolition Contest will be Hawk Canyon, Ace Ryan, Rocky Maynard and Charlie Williams. These boys will be out to keep Hawk Canyon from making another Victory like he did in the last Demolition. He will be getting hit from all angles, to try and get his car out of running order.

These added attractions will be held along with the regular program of Stock Car Races at the regular admission price of \$1.00.

Jerry Dolliver, Bob Edwards, Charlie Edwards and Vern Barnes will be among a long list of favorite drivers.

CLAUDE HELWIG HAILED AS "HERO PILOT"

Claude (Hal) Helwig, 314 Salem street, North Wilmington, has been hailed as a "Hero Pilot" by the Boston Globe, as a result of an emergency landing he made last Thursday morning, in Pittsburg, Pa. The Boston Globe, in its Friday issue said:

"Sixteen passengers in a Boston-bound Trans-World Airlines plane escaped injury yesterday morning when its North Wilmington pilot effected a one-engine, emergency landing at the Greater Pittsburg Airport.

Capt. Claude W. Helwig, 35, of 314 Salem street, aircraft commander, said two tires blew when the plane hit the runway, but he brought it to a stop without further accident.

Helwig was a pilot with the 61st Troop Carrier Group, 9th Air Force, during World War II, and has served with the TWA for nearly ten years.

The emergency landing was made minutes after takeoff from the Pittsburg Airport at 8:29 a.m.

"We had barely gotten into the air," Helwig said, "when a warning light on the panel indicated a fire in the left engine."

He feathered the propeller of the engine and swung about for the emergency landing.

Capt. Helwig said the passengers took the landing calmly, with one of them even sleeping thru it.

They were transferred to another plane, and with Helwig at the controls resumed their flight to Logan Airport.

Helwig, with his family, have been residents of Wilmington for four years. A member of the Wilmington Planning Board, he is married to the former Josephine Crull of California. The couple have two children, Michael and Robert.

REV. ARTHUR SNOW TO PREACH IN CONGREGATIONAL CHURCH — SUNDAY

The Rev. Arthur Snow, formerly of the Stoneham Congregational Church, will be guest preacher, at the 10 a.m. services of the Congregational Church, next Sunday. The Rev. Mr. Snow is now a resident of Florida, and is visiting in Massachusetts for a vacation.

FIRST POLIO CASE THIS YEAR

Wilmington's first polio case, in 1955, was reported to the Board of Health last Thursday afternoon as "non-paralytic." A three year old boy, in the Federal Gardens, is the victim.

Last year there were two cases of paralytic polio in Wilmington, (one fatal) and three other cases of non-paralytic polio.

TONY TESSICINI WINS SCHOLARSHIP

Anthony J. Tessicini, 179 Burlington Avenue, Wilmington, has recently been awarded a \$400 scholarship for entrance into Northeastern University this fall. Director of Admissions Gilbert C. Garland has announced.

CHANGE OF ADDRESS FOR GLEN CONNOLLY

Glen Connolly, Edwards Street, has had a change of address, with the US Army. It is now Cpl. Glen E. Connolly, RA 12431630, Det #1, Co. A, 302 C/R Bn, APO 112, New York, NY

WOULD-BE RIOTERS STOPPED BY POLICE

Several dozen policemen, from towns and cities near Wilmington, prevented what could have been a serious riot, last Wednesday evening, in Wilmington. A group of Lowell youths who had come to Wilmington looking for trouble, were persuaded by the presence of the police to return to their city without resorting to violence. In addition to the Wilmington police there were State police and police from Lowell, Tewksbury, Billerica, Burlington and Woburn present.

One Mercury 1949 club coupe was damaged, in a small melee, in South Wilmington, before the police arrived there. It was the property of Girard A. Dambois, 24 Jeanne D'Arc St., Lowell. Dambois, who had with him five companions, told the Wilmington police that he had heard that there "might be some fun in Wilmington," and had driven here for the purpose of seeing the fun. He denied any participation in the events that led to the near riot, other than that of a spectator.

The Dambois car had been rammed, by another vehicle, presumably while it was near the home of Sylvester Madden, on So. Main street, about 10 p.m. Chief of Police Paul Lynch describes the ramming as "a deliberate attempt to push the car off the road." After ramming the car, the occupants of the other car, still unknown to the Wilmington police, smashed the rear and side windows of the Dambois car, and also ripped off the registration plates.

The first event in the evening was at about 9:30 p.m., in Lowell, when Officers Laurier A. Denomme and Raymond Reid notified the Lowell Police Headquarters that a caravan of cars was forming in that city, and the young men in the cars were believed to be headed for Wilmington. A diner near Silver Lake was reported as being the rendezvous of the caravan.

About 10 p.m. the Wilmington police were called to the Diner, by an apprehensive citizen. About 30 to 35 youths, stripped to the waist were approaching. They were greeted by about twice their number, very quickly reinforced by police of several towns. The youths who had parked their cars elsewhere, soon returned to their cars and disappeared.

Shortly afterwards there were reports of a second group, near the Wilmington-Woburn line. Wilmington and Woburn police, arriving on the spot, found a group of about 30 youths milling around, but with no violence being provoked. It was just prior to this time that the Dambois car was believed to have been damaged, although the police have, as yet, to establish this definitely.

In a few moments the second group broke up. An out-of-town paper has reported that the arguments were caused by attentions being paid to local girls, by Lowell youths. Some Wilmington boys claim that there were no Wilmington youths present, at the diner, at the time of the "riot" and that the hundred-odd persons were from Lowell and Tewksbury, but Wilmington police say that they know of some Wilmington youths who were present.

TOWN BONDS

Tomorrow noon is the dead line for the proposal to
 purchase Town Bonds, to be used for erection of the
 new High School. The town is asking for bids on
 \$800,000, which will be paid off semi-annually, from
 August 1, 1956 to August 1, 1974. There are several
 things of interest, connected with this bond issue, on
 which we hope to deal more fully next week. At the
 present time we are merely noting a few items from the
 prospectus, issued by the First National Bank of Boston.

In the first place this is only part of the money which
 was authorized. The total bond issue could be as high
 as \$1,250,000. It is planned to split the bonds into two
 issues, selling more at a later date, the idea being that
 the town will not be paying interest until they are ready
 to use the money. This is a somewhat novel approach.
 Generally, a town will sell the entire issue, and put the
 extra money into United States government issues, until
 needed. There has been a lot of work, and heavy think-
 ing, behind this issue. Paradoxically, even though it can
 be described as a very fine piece of work, there was a
 "minor" error, in that the town discovered, after the
 prospectus had been issued, that it should have been
 selling \$700,000 in bonds. Whether the town will amend
 the prospectus, or will issue another, or will borrow the
 money in another way was still an unsettled question,
 last Friday. Tomorrow will tell the tale.

We would guess that the town will get a good interest
 rate in selling these bonds. We don't profess to be an
 expert on bond issues, but the prospectus, which of
 course has the approval of Boston's First National Bank,
 paints the town's financial picture in a pretty good
 light.

Moody's rating, which is one way of judging a town's
 financial status, is "A", but what is of more interest to us
 is a comparison of the taxes in this town, with other
 towns in the Commonwealth. We quote from the pros-
 pectus:

"Per capita assessed valuation and per capita tax
 levy for 1953 were \$1,459 and \$67.79 respectively. The
 average for the 51 towns in Massachusetts with popula-
 tions between 5,000 and 10,000 was \$1,456 and \$72.71
 respectively."

In other words, the real estate in this town is worth
 just a little more than it is in the other 51 towns, taken
 as an average, and the cost of real estate taxes, counted
 against the number of persons in Wilmington, is quite
 a bit less than in the other towns. The per capita dif-
 ference is almost \$5, in Wilmington's favor. When one
 considers that Wilmington has an abnormally high
 number of people, under 18 years of age (about 39 per
 cent), this \$5 figure is even more impressive.

MORE WATER

We welcome the news that the Wilmington Water
 Department has now hooked up, on a temporary basis,
 the Barrows Well Field. Starting last Saturday, there
 are now seven wells of this new field available to the
 town's water supply. 150 thousand gallons were pumped
 into the town's water supply on Saturday night.

It is a most welcome addition, but we will bet that the
 town will still continue to be short of water.

SEWAGE SYSTEMS

The action of the Board of Health, in preparing a
 paper on sewage systems, a la Wilmington, for new
 comers, is a excellent idea. Some of our older residents,
 too, at least those who have come here in the last few
 years, would probably benefit from a reading of this
 paper. We will not bother to attempt to quote it, for it
 is quite lengthy, relatively speaking, but we recommend
 that anyone with sewer trouble call at the Board of
 Health office, in a week or two, for a copy. We under-
 stand that it is to be printed for distribution.

OUR FACE IS SLIGHTLY PINK

Our face is slightly pink. We put some words into
 the mouth of Selectman Nicholas DeFelice last week.
 We had Nick saying that, "If anybody else calls me up
 about this (the situation at Baby Beach, on Silver Lake)
 I am going to tell him to jump in the lake."

Nick didn't say it. Nick is perfectly capable of saying
 plenty, on any subject, without our help. The man who
 said it was another Selectman, in the same meeting.

THE PLANNING BOARD

The Planning Board, last week, turned down a pro-
 posed real estate development in North Wilmington.
 One of the reasons, one which was the principal reason
 in the minds of the members, was that the proposed
 development didn't have an exit at each end.

This is the first time that such an event has occurred
 in Wilmington. In years gone by, a road would be laid
 out, wandering through the woods, without thoughts of
 where it ended, or how the traffic would be. This new
 action is indicative of the thinking of the members of
 the Planning Board.

This is not the only such case, in Wilmington. One
 other development recently, would have been turned
 down had not the developer provided a second exit. A
 third development is now being discussed, with this idea
 in mind. It is one of the largest in town, and there is
 only one entrance. The board wants a second entrance,
 and has said so.

We don't propose, at this time, to argue the merits of
 the individual cases, but we think that it can be safely
 said that the Planning Board is on its toes.

It isn't only the new developments that are having
 trouble, either. Some of the older developments are
 facing a "rescinding action" because they have not had
 the type of development that the Planning Board speci-
 fied.

GOOD SPORTSMANSHIP

The Burlington Little League, last Saturday after-
 noon exhibited sportsmanship of the highest order, just
 before the Wilmington-Burlington game.

Little League rules say that in "Tournament" play,
 the players' birth certificates shall be on the field, avail-
 able for inspection by officials of the opposing team,
 one-half hour before play begins. Failure to conform
 with this rule can mean the forfeiture of the game.

Wilmington's certificates were in the hands of one of
 the officials, ready for the showing. This official arrived
 on the field early in the morning, and spent several
 hours getting the field ready for play. He then went
 home to lunch.

At 1:30 p.m., the scheduled time, this particular offi-
 cial had not returned. Had the Burlington officials been
 like, say, Casey Stengel, they would have called for a
 forfeiture of the game, by Wilmington.

Instead, they were good sportsmen, and waited until
 the Wilmington official returned.

BATHERS DISPERSED AT SILVER LAKE

A large crowd of bathers,
 all local, were dispersed
 by the Wilmington police,
 at 2:30 a.m., July 24th,
 while they were bathing at
 Gratecyk's Beach, in Silver
 Lake.

SNAPPING TURTLE SHOT ON BEACON STREET

A large snapping turtle,
 described as "jumping six
 inches," and "over 14 inches
 long" was shot, Sunday
 afternoon, near Beacon
 street, by Officer Leo
 Markey, of the Wilming-
 ington police. The turtle had
 become the center of at-
 traction for a number of
 children, and Markey shot
 it, rather than allow the
 children to play with it.

BLUES IN THE NIGHT

Lonely whistling steam
 locomotives which carried
 nostalgic memories for so
 many people may soon be a
 thing of the past. One rail-
 road, which used steam for
 more than 100 years, has
 become fully diesel-powered,
 and its last eight steam
 locomotives recently com-
 pleted their final trip—to
 the junk yard. Railroads are
 one of the oil industry's best
 customers. It takes a lot of
 oil to keep the powerful
 diesels working.

REV. MR. HICKMAN TO PREACH IN METHODIST CHURCH

The Rev. Donald Hick-
 man, the new pastor of the
 Tewksbury Methodist
 Church will again occupy
 the pulpit of the Wilming-
 ington Methodist Church, at
 the 10 a.m. service next
 Sunday. The nursery will
 be available for small chil-
 dren of the worshippers.

Mr. Herman Moe will
 again play violin selec-
 tions, with Mr. Ole London

Dear Parents:

Your baby is about
 ready to take his first
 step. This is indeed a
 red letter day in your
 calendar of life.

Our experience of fit-
 ting thousands of babies
 in the Merrimack Val-
 ley has taught us that
 the first steps your baby
 takes, and the first
 shoes he wears, are
 most important.

May we have the op-
 portunity to counsel and
 guide you with this first

TOWN NOTES

WEATHER

The hottest July on record? So claim some people. Oldsters in Wilmington however say that it is not as hot as it was in the July of 1911. It has been hot, that is true, with many days hitting a temperature of 88 degrees in the shade. At the same time we have had very little rainfall this month. In the past week there was only .12 inch, in a thunderstorm on Saturday night.

GREEN THUMB

John Collins, Superintendent of Schools, might be said to have a "Green" name, but apparently that isn't all, for his thumb must be pretty "green" according to the luck he is having with his garden. This is John's first year to essay back-yard farming. His tomato vines, he reported last week, were carrying 364 green tomatoes.

BLUEBERRIES

This is the week of the year, in which to pick blueberries. By this time next week there should be very few left, for the picking. The fields of Wilmington are filled this year, it is very good picking, but we haven't seen any boys around selling berries, and the price remains high. The only boy we saw selling was Daniel McKaba, of Woburn Street, and Daniel was getting 50 cents a quart, which is pretty high, re-

HELP! HELP!

FROM TIME TO TIME WE EXPECT TO NEED EXTRA HELP TO HANDLE OUR EVER-INCREASING BUSINESS. SO, IF YOU ARE INTERESTED IN PART-TIME EMPLOYMENT AT \$1.00 AN HOUR, PLEASE WRITE (Do Not Call In Person) TO . . .

McMANUS SHAMROCK

108 MAIN STREET
WILMINGTON

STATING THE DAYS WHEN YOU ARE AVAILABLE,
YOUR TELEPHONE NUMBER, ETC.
EXPERIENCE UNNECESSARY, BUT YOU MUST BE A
MALE RESIDENT OF WILMINGTON, AGE 21 OR OVER.

lately speaking for this late in the season.

Blueberry picking is almost an art. A person has to have determination, plus a knowledge of where they are, to get good results. Ernest Eames, (also known as Buster), one of the old-timers in Wilmington is probably Wilmington's best picker. It is nothing for Ernest to fill a 14 quart pail in one morning, but we don't think he has been doing much picking lately.

ONE FISH

We have only one fish story, this week. It concerns Lawrence Gildart, of the Gildart Chevrolet Company. Larry went to New Hampshire last week and caught the biggest eel we ever

heard of, for fresh water—5 feet long!

EARTHMOVING

Perhaps the fastest job of earthmoving, and one of the biggest ever to occur in Wilmington is now going on in the former Harriman estate, now the Signore Real Estate Development. We wouldn't want to guess as to the number of yards of earth being moved, but it is tremendous. Hills are being leveled, and low spots filled in in a 30 acre tract, and half a dozen large trucks are busy all day long, just moving material from one place to another.

Signore, incidentally, doesn't have to have the trucks registered, because they are operating only on private

grounds. As a result he doesn't have to pay any tax on the gasoline which the trucks use. It must amount to a considerable savings.

We were surprised, the other day, to find a large rock of schist, in the middle of one of the roads in the development. It is the first time that we have seen schist in North Wilmington. The only place we knew to have schist, before, is the southern part of town. (Schist is a rock that is composed of highly compressed clay - it comes in layers which are fairly easy to split apart. —A large part of Lowell is composed of schist, and it was over this type of soft rock that the Merrimack forced its way to make the Pawtucket

cont. on page FOUR

GOLLY FOLKS

You sure kept us a-runnin' last week. We had just about forgotten that crazy Fourth of July celebration at our store when — Bang!! Old Sol got all het up last week, cooked us up a bit and before anyone could say "Jack Robinson", heck-and-all began a-poppin' all over the Shamrock!! You know folks, if all the beer and ale that you helped yourself to last week were laid end-to-end, it would reach from Silver Lake to ———— Oh well! Who the heck cares where the last one ends up — as long as it's nice and cold and refreshing — and doesn't cost too darn much! And that's just the way we always serve 'em up at McMANUS' SHAMROCK!!

THANKS FOLKS!

COME IN AGAIN AND . . . "HELP YOURSELF"

SAVE MONEY ON MALT BEVERAGES!

Never tried it ourselves, but the way the folks are taking to it, it must be all they say it is—and then some!!!

TOWN NOTES

cont. from page 3
Falls, after the last Ice Age. It is not very common between Lowell and Boston.

A NEW BATHHOUSE

By the time this paper gets on the street, Wednesday evening, it is expected that the old Portable School, at the Silver Lake Beach, will have been changed into a bathhouse, for swimmers. There is quite a change in the appearance of the old building. The West side, which used to be all windows, is now completely boarded in. A room has been put in there for the life-guard, together with a second room, for the storage of equipment, and showers and toilets are being installed on the two sides, for men and for women. When it is completed it will be quite an improvement.

DUPLICATE NAMES

When it comes to duplicate names, the Smith family, of course, are the out and out leaders. There have been many jokes about it, throughout the years, and even here, in a town of less than 10 thousand, we have our nicknames, in order to prevent confusion among the Smiths,—witness "Sunshine" Smith of Concord Street, and "Extra Billy" Smith (presently the Commander of the William F. Tattersall Chapter of the DAV) of Concord Street.

In years gone by Wilmington had its confusion among the Carter family, and others of the old Yankee heritage. There was, at one time, two men in this town who bore the name of William Henry Carter, one of whom lived at the corner of High Street and Middlesex Avenue, and was known as William Henry Carter I, and the other on Shawsheen Avenue, at the corner of Bridge Lane, who was known as William Henry

Carter II. They were not, as it might be assumed, close relatives.

We now have a new confusion in names, but this time in the Hamilton families. There has been a duplication, for some time, on the distaff side, but a new duplication has arisen, this time in men's names.

Mrs. Gordon A. Hamilton, of Floradale Avenue, and Mrs. Earle Hamilton of Church Street are both named Helen. Both of the ladies and their families have had many quiet jokes on the similarity of their names. But Mrs. Gordon's husband is now going to be apparently, in the same fix.

A gentleman by the name of Gordon A. Hamilton has bought a home on, we believe, Brentwood Avenue. It is not the Gordon A. Hamilton of Floradale Avenue, it is another.

Gordon I, who is a book-binder by profession, just hopes that the new man, Gordon II has something other than Adelbert, for his middle name.

DISCREPANCIES

The firm that is surveying Wilmington, to determine whether or not there are any errors, in the original surveys, and in the sizes of real-estate lots being taxed, are finding a few errors. There aren't as many as some persons believed would be found, but there is apparently one, (reported last week) near the Wilmington-No Reading Town Line, on Park street. Another now seems to be discovered on the Wilmington - Tewksbury line, near Nichols street. The second error could involve 100 feet displacement on the maps.

THE VIRUS BUG

The very young youngsters of Wilmington have been afflicted with a virus, during the past few weeks. Some of our physicians are doling out a new pill, for this bug, at 75 cents per, which is enough to make any daddy howl.

The seige seems to be about finished, however.

WORLD SERIES

Last year, Bucky Backman and Mike Weinberg, of the Wilmington Little League, together with Bob Valey, of the Woburn Little League, (Bob is Sports Editor of the Woburn Times) drove together to Williamsport, Pennsylvania, to see the Little League World Series. This year, Bucky and Mike will drive by themselves. Bob is flying down, on a TWA plane, with expenses paid. He is to be an Official Scorer, for the series. The United States Rubber Co. is paying his bills.

Mrs. Nicholas DeFelice was elected Senior Vice President; Mrs. Herbert Reynolds, Junior Vice President; Mrs. Francis Murphy, Secretary; Mrs. Joseph Bradley, Treasurer; Mrs. Alexander Moore, Chaplain; Mrs. Raymond Harrington, Historian and Mrs. John Dias, Sgt At Arms. Elected Mrs. John Tautges, Mrs. to the Executive Board were Bernard McMahon, Mrs. Arthur B. Harper, Mrs. James White, Mrs. Dorothy Hollein, and Mrs. Lee Hamilton.

The installation of the new officers will be in September.

CAMERA "STOPS" JET FUEL SPRAY

A whirling mirror and a one-shot camera enable scientists to study the atomization of fuels in jet engines by permitting the observation of the path, shape,

and size of fuel particles in motion. The technique, only recently made public, produces picture records of fuel sprays that with movie techniques would require taking one billion frames a second. The results can be used to increase the efficiency of fuel in supersonic flight. The oil industry is constantly on the lookout for modern techniques like this one to help improve products and processes for the benefit of American consumers.

FIRE-FIGHTING WITH FOAM

A permanent fire-fighting system involving the use of chemical foam was recently installed by one oil company to safeguard storage tanks. The equipment delivers up to 44 gallons of foam minute, completely blanketing any tank in an amazingly short time. The sys-

tem consists of a tank to hold the chemical foam, a centrifugal pump, and an engine. Safety techniques like this help conservation-minded oil men save every drop of oil to meet the tremendous demand for petroleum products.

BALLOONS AND BALLYHOO

The American Peoples Encyclopedia Yearbook for 1955 tells of a man in New York with a yen for adventure above the clouds. This travel-happy gent took off in a homemade rig suspended from 60 gas balloons and floated six miles in an hour and a half, drifting down to the arms of the law who arrested him on charges of flying without a license.

Officers

Mrs. John Murphy, of Hathaway Acres is the new President-elect of the American Legion Auxiliary. Mrs. Murphy was elected to the honor at a recent Auxiliary meeting.

TOWN COUNSEL SAYS NAMING OF SCHOOL IS UP TO TOWN

Town Counsel Phillip Buzzell, in a letter to the Wilmington School Committee, replying to a request from the committee, has stated that the naming of schools, in Wilmington "should be done by vote of the town".

The Town Counsel's letter was written as a result of the action of the committee, on June 15th. In that meeting the committee voted to rename the Junior High School the "Swain" School, to honor the memories of Caroline and her sister Henriett Swain, each of whom taught in the Wilmington schools for many years. At the time of the June 15 vote the committee was not certain as to their power to name schools, and voted that if they did not have the power that their action should be considered as a recommendation. The

Town Counsel was then asked for his opinion.

The meeting, last Wednesday night, lasted only one hour. Many of the items scheduled for discussion were tabled, because of the absence of two of the members for reasons of sickness. Tabled were the appointment of a new teacher for the High School, a discussion on insurance against injuries to members of the football squad.

Special Transportation

Supt. of Schools John Collins reported that a bill for \$48.65 was payable for transportation to Woburn of some mentally retarded children, who are attending special classes in that city. A further bill of about \$56 could be expected, for the rest of the calendar year, he said.

No allocation had been made in the School Budget,

for such an expense, at the request of the Finance Committee. Arthur Lynch felt that the committee could probably pay this sum, from other accounts, but that the Finance Committee should be acquainted with the situation, and the committee voted that Supt. Collins should communicate their decision to the Chairman of the Finance Committee.

N. E. Assoc. Colleges & Secondary Schools

A sum of \$10 was voted, as a fee for joining the New England Association of Colleges & Secondary Schools. The committee voted the sum after a discussion in which it was brought out that the association had a duty of checking the various schools in the association, to ensure that they were up to a minimum standard, and to spot possible corrections or errors in the curricula. The association is attempting to improve the standards of all the Secondary Schools in New England. The effort is independent of the "College Board Exams", but has a similar aim, and one of which the committee approved.

Collins told the committee that "in about two years" the Wilmington High School should be able to "pass" the standards of the New England Association.

New Furniture

A sum of \$2725.25 was voted by the committee, on motion of Arthur Lynch, for the purchase of new desks and chairs, for three schools. 125 chairs and desks, made of birch, with a heavily impregnated finish, guaranteed not to splinter, will be purchased with this money. The furniture is made by a West Concord (Mass.) firm. The new equipment will be installed in the second grade of the Walker School, the first and second grade of the Buzzell School, and the third grade of the Whitefield School.

Teachers

A letter of resignation was received from the new teacher of Practical Arts, appointed to start in September. The letter stated that he had had a better offer, closer to home. Collins told the committee that he had been "frantically" trying to get another teacher, but that the agencies could not help him. He had finally turned to the Massachusetts Employment Service, and had had two potential teachers call him, on the same day that the meeting was held.

A letter of regret was read, which had been sent to Mrs. Durfee, resigned, and also read was a letter of congratulations to Lawrence Cushing, on the attainment of a degree, at Boston University.

Practical Arts School

Collins read a letter from the Commissioner of Education, which approved an increase on the charge for out-of-town pupils who attend the Wilmington Evening Practical Arts School. The former charge was 15 cents an hour. The new charge, effective in September, will be 20 cents an hour, a fee that is being charged in most of the Evening Schools of the Commonwealth.

Other Business

The committee, on motion of Miss Eleanor Grimes, congratulated John Collins, on the excellence of his work, during his first year as Superintendent of Schools.

A letter was received from the Outlay Committee, asking for information on any future projects the School Committee might have which would exceed \$1000.

A letter was received from Dr. Harris, the new Podiatrist, now located in Wilmington Square, informing them of his services.

A letter was received from the Commissioner of Education (a form letter sent to all schools) reminding the board of the possibility of hiring persons who are physically handicapped. Collins stated that he had never had any such application, but if one were received it would certainly get the utmost, in attention.

SOFT BALL LEAGUE ORGANIZES

A soft ball league, among the adult residents of Wilmington, started play on Wilmington Common, Monday evening. Eight teams are in the league, organized last Wednesday under the sponsorship of the Wilmington Recreation Commission. Enthusiastic response was shown to the suggestion of the Commission, in organizing the eight teams, but not all the teams have as yet a full roster. Managers of several of the teams have stated that they still have openings.

The eight teams, and their managers are: Greer's (Roger Gauthier), Raffi & Swanson (Darryl Ashdown), Fred E. Cain, Inc. (Wes Nichols), Okie's Lunch (Donald O'Connell), Boosters (Larry Cushing), D.A.V. (Buster Davidson), Topper's (Joe Bradley) and Townies (Bill Irwin).

Chief Umpire is John Sheppard, and the other umpires are Wes Baker and Bob Hastings. Larry Cushing is acting as Commissioner, because of the Recreation Commission sponsorship, and the Board of Directors will consist of the managers of the eight teams.

Play starts at 6:45 p.m. on the Common, Mondays through Thursdays.

\$25 FINE FOR SPEEDING

Leonard J. Scott, of Faulkner Road, Wilmington paid \$25 in fines in Woburn Court, on July 21st, after pleading guilty to charges of speeding, preferred by Officer Shepard, of the Wilmington Police. Shepard told Judge William Henchey that he had clocked Scott doing 80 miles an hour, on Main Street, on July 13th.

LETTER TO THE EDITOR

Dear Sir:

In the July 20th issue of the Crusader, under the heading of the "Selectmen's Meeting" the question of the traffic situation on Grove ave. was brought up. It seems, according to your column, that Selectman DeFelice is calling everyone wrong who states that there is a bad traffic situation there; for on July 17th, Sunday, he rode thru the area once alone and then once again with Selectwoman Drew and found traffic well under control under the supervision of a 13 year old boy.

Why then, has the Police Department spent several hours this summer unsnarling traffic? Why has the Chief of Police called this area a very dangerous area?

Was Selectman Bliss having an optical illusion when he viewed the traffic situation at the Lake?

To me it seems that a little laxity is involved when a town official spends a few minutes viewing a traffic hazard and then makes a quick decision, as has been done in this case.

My suggestion is that Selectman De Felice spend a few hot Sundays in this area and then he could find out what the true situation

is; also to consult the Chief of Police who is well versed on the matter.

Also, that the other members of the Board of Selectmen check these matters personally instead of taking the word of one member.

Yours very truly,
William S. Wendell.

TWO WILMINGTON GIRLS ATTENDING SUMMER SESSION

Miss Helen T. Brooks, of 300 Salem street, and Miss Sidney C. Buck, 46 Middlesex avenue are among those enrolled in the annual summer session of Lesley College, in Cambridge.

Unusual features of this year's course include courses for helping children with particular difficulties, with classes being offered in the technique of teaching mentally retarded children and in arts and crafts for retarded children. Also of special interest is a course in the psychology of subnormal and unadjusted children, given by Dr. Winifred Lair.

Almost 90 per cent of the nation's natural gas is produced in the five states of Texas, Louisiana, Oklahoma, New Mexico, and Kansas.

ST. THOMAS CYO TEAM KEEPS BUSY

The past week saw the St. Thomas baseball team trying to beat the heat by playing four games.

Last Thursday Joe Peters pitched a no-hit game against the Burlington Youth Club. Timely hitting by his team mates led to a comfortable 9 - 0 victory.

Friday evening the CYO was decisively bumped by the Pony League All Stars,

10 - 2. Dick Ethier throttled the St. Thomas bats, as a succession of pitchers couldn't find the plate, for the vanquished team. Dick had a No Hit game, and led in the batting, hitting two doubles, one of them with the bases loaded.

Sunday in Maynard found St. Thomas again short of pitchers against the district champs, St. Bridgets. A five run rally in the fifth inning fell short, with St. Thomas

absorbing a 7 - 5 loss. Monday night was a different story, however. The locals combined a base on balls, a sacrifice, a wild pitch and an infield out to squeeze 1 - 0 decision over Immaculate Conception of Winchester. Brilliant fielding by Dick Graham and Sam Cavallaro backed up Joe Peter's steady hurling.

ELIZABETH FAGAN AT KODAK PLANT

Miss Elizabeth A. Fagan, 43 Clark Street, Wilmington, is one of eight young women who began on Monday a one-year administrative dietetic internship in the Eastman Kodak Company's Rochester plants.

Miss Fagan, a graduate of the University of New Hampshire, will receive instruction from Kodak staff dietitians in all phases of food administration. All of the new interns were graduated in June from colleges where they majored in institutional management, or foods and nutrition.

The Kodak dietetic program was organized in 1943 as the first in-plant nutri-

tion internship in American industry. The interns will study food preparation, food service, business aspects of cafeteria operation, and will handle certain supervisory and management duties. The interns will also study the nutrition problems in the medical departments of the various Kodak plants in Rochester.

The internship program is approved by the American Dietetic Association. Upon graduation, interns become members of the association and receive certificates from Kodak. Graduates are free to accept positions wherever they choose.

SILVER LAKE WATERS TEST EXCELLENT

The waters of Silver Lake are "Excellent" Town Sanitarian Patrick H. Thibeaudeau stated, last Thursday evening, in a report to the Board of Health. In freedom from disease organisms the water tests as high or higher than does the drinking water of some municipal water departments, Thibeaudeau reported.

Thibeaudeau tested the water last Wednesday, at the Town

Beach and at "Moxie" beach. He found the count, by which the water is judged, to be 60 at the Town Beach, and 20 at Moxie. Anything under 100 is "Excellent", and the state requires a count of 2400 before it will close a beach.

Professor Goodwin The Board spent over an hour with William Goodwin, Assistant Professor of Regional Planning, at Harvard University. Professor Goodwin is preparing new Zoning Regulations for Wilmington, and spent the time with the Board of Health in order to prevent any conflict between his work and that of the board.

Signore Development The board "lifted" all restrictions, which it had formerly placed on the lots in the first part of the Signor development, in North Wilmington. Thibeaudeau told the board that the developer had improved the drainage qualities of all the restricted lots, so that they were now satisfactory.

Piggeries 19 piggery licenses were considered by the board, which is now conducting its annual inspection of Wilmington piggeries on the First of July, instead of the First of January. Licenses were granted by 15. The other 4 licenses will be withheld until the operators conform to Board of Health regulations.

In one instance Thibeaudeau recommended that the license granted be refused, in the future, because of a real estate development nearby, now building. This was the last year, Thibeaudeau stated, that this piggery should be allowed to operate.

4 piggeries did not apply for licenses. Thibeaudeau told the Board. In the case of two of these, they were dropping their licenses, but Thibeaudeau believed that the other two had been overlooked.

Sewerage Systems Thibeaudeau showed the Board a letter, which he has prepared, which is to be given to the owner of each newly built home in Wilmington. The letter calls attention to the difference between sewerage systems in cities, and in a country town like Wilmington, and warns of some of the common pitfalls which new country-dwellers encounter.

Rubbish Collection Inspected by the board were tentative proposals, for contractors to use in bidding, for the collection of rubbish, by contract, in Wilmington.

First Aid Kit Also inspected by the Board was a new first aid kit, purchased for the Board of Health. It will be kept in the Town Hall, for emergencies.

Stables Chairman Frank Hagerty tried unsuccessfully, to start a discussion about a stable the permit for which had previously been turned down by the Board of Health. Hagerty termed the previous refusal as being inept, saying that "there was too much politics" involved.

COMMONWEALTH OF MASSACHUSETTS.

Middlesex, ss.

PROBATE COURT.

To all persons interested in the estate of Ralph W. Henderson late of Wilmington in said County, deceased.

The executrix of the will of said deceased has presented to said Court for allowance her first account.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Cambridge before ten o'clock in the forenoon on the eighteenth day of August 1955, the return day of this citation.

Witness, John C. Leggat, Esquire, First Judge of said Court, this twelfth day of July in the year one thousand nine hundred and fifty-five.

ASSAULT & BATTERY CASE CONTINUED

Judge William Henchey of Woburn Court continued, until August 4th., a case involving assault and battery, in Wilmington, on July 4th. Harry Parker, of Salem Street, pled guilty to charges of assault and battery, near Silver Lake. A companion of Parker, who is in the United States Navy, and was not present in court, caused the continuance, as His Honor wish to talk with both men before passing sentence.

Thomas Craig, Aldrich Road, was identified as being the person assaulted.

LETTERS

EDITOR

Naval Air Station
Hutchinson, Kansas
July 17, 1955

Dear Larz:

Just a line to let you know that you can discontinue sending The Crusader as I'll be getting discharged the 28th of July. I've really appreciated receiving it each week during the past two years and I'd like to thank you, the V.F.W., the American Legion and Gildart's for making it possible.

Yours truly
Herb Peterson

Dear Herb:

We know you liked the paper, but we like very much the fact that you took the trouble to write and tell us that you were getting out. Thanks ever so much. Some of the boys don't bother, they just let the paper keep on going until the Postoffice finally starts returning them. Thanks again for your thoughtfulness.

Larz - Ed

PEGGY CAPOBIANCO TAKES OVER THE HELEN LEE BEAUTY SHOPPE

Mrs. Margaret Capobianco, formerly Miss Peggy Denton of Harvard Ave., Wilmington has taken over the Helen Lee Beauty Shoppe, 410 Main St., Wilmington. The establishment will now go under the name of, "The CarlMar Beauty Salon". Mrs. Capobianco will offer a complete line of Beauty culture. She has had a top grade of experience in the field of beauty culture. Included in some of the places she has worked is the Parker House in Boston and the Hotel Preston in Swampscott.

She and her husband and her two children now live in Billerica. Mr. Capobianco is seriously thinking of entering the coiffure business. It is our wish that Peggy will be successful in her new shop, and if any of you gals have any type of a hairdo in mind, drop in and let Peggy take care of you.

Cor. Shady Lane Drive & Middlesex Ave. on Rte 62
OL 8-3459 Open Daily Until 9 P.M. Wilmington

JOSEPH P. BREEN

Joseph P. Breen, 39 years old, died suddenly at his home at 69 Middlesex Ave., on July 17th. He was the son of Mrs. Mary E. Breen, of the same address, and is survived by two sisters, Mrs. Austin Nolan of Wilmington, Mrs. Mary Ranier of Medford, and two brothers, Edward F. and Thomas J., both of Wilmington. A Requiem Mass was sung July 20th, at 9 a.m., by Father John Regan, at St. Thomas Church. Burial was in Wildwood Cemetery. The McMahon Funeral Home was in charge of arrangements.

LOCAL DAV MEMBERS ATTEND AUXILIARY CONVENTION

Several members of the Wilmington Tattersall Auxiliary D.A.V. of Wilmington attended the convention on Boston recently. Among those noted were Past Commander, Mrs. E. A. Tattersall, Commander Charlotte Duggan, Junior Vice Commander Adeline Lynch and Mrs. Anne Gagnon. Mrs. Starr and Mrs. Gagnon were invited guests of the Gold Star Mothers' reception and tea. This was a most beautiful affair and it is earnestly

hoped that more of Wilmington's Gold Star Mothers will attend next year. Mrs. E. A. Tattersall was installed as Chairman of the Ways and Means Committee, after having acted as Assistant Chairman for the past two years.

METHODIST CHURCH HEARS NEW SOUTH TEWKSBURY PASTOR

The Rev. Donald Hickman, new pastor of the So. Tewksbury Methodist Church, spoke at the Sunday service of the Wilmington Methodist Church, on July 24th, at 10 a.m. Mr. Hickman was recently appointed to the South Tewksbury church, to replace the Rev. Jack Tuell, former pastor. Mr. Hickman was assisted by Mr. William Stickney. The sermon topic was "Which are You?"

Mr. Olin London was the guest organist, and Mr. Herman Moe, formerly violinist at the Boston Symphony Orchestra, again played a violin solo. The selections were Meditation (Bach), and Angels Serenade (Braga). Parents are invited to worship, while their small children are cared for in the nursery, during the morning service.

Engagement Announcement

Mrs. Lillian Clow of Natick has announced the engagement of her daughter, Miss Joy R. Noah, of 12 Floradale Avenue, Wilmington, to Mr. Dennis Canelas, son of Mr. and Mrs. Ventura Canelas of MacDonald Road, North Wilmington.

An October wedding is being planned.

A Baby Girl

It's a baby girl for the Paul Carpenters, of Westdale Avenue. Judith Mary was born on July 3rd, at the Winchester Hospital, a younger sister for Donna, aged 19 months. Mrs. Carpenter is the daughter of Mr. and Mrs. Harry G. Moore, of Westdale Avenue.

Attend D.A.V. Convention Commander William Smith, of the William Tattersall Chapter of the Disabled American Veterans, together with Past Commander Paul Metcalf, and Comrades James Duggan, James Shine and John Davis represented the Wilmington chapter, at the State Convention, in the Hotel Sheraton-Plaza, in Boston, from July 14th to 17th. Commander Smith was nominated for the post of Department Junior Vice Commander, but was not elected.

Returns From Colorado

Mrs. Peter Neilson, of Glen Road, has returned home, after a month's visit in Colorado, with her daughter, Capt. Sylvia Neilson, of the WAC US Army. Capt. Neilson, who is stationed at Fort Leavenworth, Kansas, and Mrs. Neilson, drove to Colorado to spend a month amidst the mountains, after which Capt. Neilson returned to duty at Leavenworth. Mrs. Neilson flew both ways, between Kansas and Boston.

Visit From Colorado

Mr. and Mrs. John E. Thomas, of Pueblo Colorado have been visiting their daughter, Mrs. Gilbert Wozney, of Bellevue Road (Suncrest Acres) for the past week. They start their return trip to Colorado last week.

Studying Beauty Culture

Miss Sandra Harris, of 835 Main Street has recently enrolled in the Wilfred Academy of Hair and Beauty Culture in Boston, for training.

Attending Seminar At Tufts

Miss Lena Leiter, the third of the Leiter sisters who are teaching in the Wilmington Public Schools is attending a three week seminar at Tufts University, a seminar devoted to stimu-

ating education for responsible American citizenship in secondary school curricula.

The seminar is assisted by a scholarship aid from the Massachusetts Committee of Catholics Protestants and Jews.

Entertains At Home

A Plastic Fashions Party, demonstrated by Mrs. Maxine Burgess of Reading, was the occasion for an entertainment at the home of Mrs. Dorothy Kemp, 150 West Street. Mrs. Kemp had as her guests Mrs. Laura Sheehan, Mrs. Dorothy Sheehan and Mrs. Clifford Hupper of Wilmington, Mrs. Helen Nicholson of

Stoneham, Miss Florence Sanborn, Miss Edna Kemp and Mrs. F. R. Henderson of Reading.

Mrs. Kemp, formerly of Stoneham, is a recent newcomer to Wilmington.

Record Crowd

There was a record crowd, at the Whist Party, last week, in the Silver Lake Betterment Hall, run for the benefit of the Building Fund of St. Dorothy's church. Hostesses were Mrs. Helen Elliot of Lake Street, and Mrs. Cormier, plus their committee.

Indians Have Weenie Roast

Nine Little (League) In-

dians together with their parents enjoyed a Weenie Roast, at the home of Mr. and Mrs. Robert Hastings, on King Street, last Saturday evening. They had a wonderful time.

G. O. C. TO POLICE DEPARTMENT

The boys who had climbed to the High school roof were quickly removed by the police department before they could do any harm to the roof or to themselves. They were spotted by the Ground Observer Corps, stationed in the Roman House, and a telephone call was made to the police station. The police arrived within 30 seconds.

PONY LEAGUE DEFEATS NORTH READING 8-6

Coming out from behind, in the 5th inning, the Wilmington Pony League All-Stars defeated the North Reading All-Stars, by an 8 to 6 score, last Thursday, in North Reading. The score, at the beginning of the 5th was 6 to 0 in favor of No. Reading, when Wilmington drove seven runs across the plate, in quick succession. Charley Fuller hit a triple, with the bases loaded, to help in the crises. He was definitely the hitting star of the game, although Albert Penny got in some heavy hitting.

Graham, pitching for Wilmington, went all the way, and displayed good control.

NATIONAL GRANGE SPONSORING EUROPEAN TOUR

Washington, D.C.—Readers of this newspaper who plan to go on the Second Annual European Tour, sponsored by the National Grange, and leaving New York on September 9, are urged to make their reservations immediately through their nearest American express office or local Travel Agent.

An unusually heavy demand for September sail-

ings has resulted from the recent waterfront strikes so that space on the SS America is selling out rapidly.

A deposit of \$250. is required to hold a reservation. However, if later, it is found impossible for an individual to go, deposits will be refunded provided reservation is cancelled not later than August 26.

Free illustrated pamphlet and itinerary available by writing to The National Grange Monthly, Springfield 3, Mass. Please mention this newspaper when writing.

PAUL FIELD JOIN NAVY
Paul Field, 6 School St., has joined the US Navy, and is now undergoing his "boot" training. His address is Paul C. Field, SR. USN, Co 312, 5th Regt., RTC, USNCTC, Bainbridge, Maryland.

SAVE OUR PASTURES

Once burned, twice shy, the saying goes. And it seems to work out pretty much that way with people who have had actual day to day experience with govern-

ment regulation and control of their lives. Such people appreciate to the fullest traditional American freedoms which many of us take for granted.

An editor of a Finnish language newspaper in a western town, who has much personal knowledge of Scandinavian countries as well as above average information concerning many other European countries, recently remarked that socialism may work out all right in Sweden, but that a similar system in this country would wreck us in two years. He can't understand why any American would want to promote policies which would change the free economic system which now allows any individual to work in whatever activity he wishes and to reap rewards from his own abilities and enterprise. He also pointed to the agricultural difficulties in Soviet Russia which simply illustrate the fact that everybody's pasture is nobody's pasture.

It's time we took a good look at how the growth of government is affecting the title to our own pastures whether they be a farming operation, a business, or a job in a private industry. The bill for an all-powerful state is paid for in the precious coin of freedom—not just money.

TIME FOR DEFENSE

Switzerland now has about 83 per cent of the American watch market. The top military people have warned that, in the interest of national defense, what remains of our own watch industry must be preserved and protected. Secretary of Defense Wilson recently said a study showed that the entire horological industry was essential to the mobilization base.

The reason is that the precision parts we find in watches also are required in the manufacture of timing devices used in modern weapons—A bombs, Nikes, fight-

CARD OF THANKS

J-27

ing planes, and so on. One B-36 has 3,000 jeweled bearings in its instruments. All of us would do well to think of this when we buy watches. It's vital that we keep our watchmakers at their benches.

GASOLINE a la CARTE

Pipeline's are blending gasoline right in the line these days. Usually, gasoline blending must be done by measuring out and mixing the necessary components in a special tank, a batch at a time. By using a radically new system, operators now can blend gasoline continuously in a section of pipe line. They have fingertip control over a dozen or more gasolines, in any quantity. New techniques constantly are being devised by oil men to supply petroleum products quickly and economically to the American consumer.

CHARLES V. BLAISDELL
Charles Varnum Blaisdell, 1 Lowell Street, died at his home early last Wednesday (July 20th) in his 78th year. Funeral services were held at the Nichols Funeral Home on July 22nd, with interment in the Wildwood Cemetery. The Rev. Donald

Hickman of the South Tewksbury Methodist Church officiated.

Surviving are his wife, Arabella K. Closson Blaisdell, four daughters, Sarah L. and Mrs. Barbara Boisvert of Wilmington, Mrs. Jessie Herculson of Medford, and Mrs. Phillis Woodside of Reading, three sons, Augustus V. of Wilmington, Elliott S. of Tewksbury and Closson K. of Vermont. There are 15 grandchildren and 10 great grandchildren. Two half brothers survive, Warren Parker Blaisdell of Wilmington and Charles Otis Blaisdell of North Woburn.

Charles Blaisdell was one of the most active men in Wilmington. Born in North Woburn, he lived as a child on Main Street, opposite Shawsheen Avenue,

and later in the "Pump Factory", now the American Legion Hall. His father, Charles Otis Blaisdell, was coachman for Dr. and Mrs. Henry Hiller. Mr. Blaisdell married Arabella Closson on March 25th 1897, settling on Parker Street, then known as the "Narrow Gauge."

From the time he was 14 years old he was in business for himself, conducting many enterprises to the day of his death. He started by plowing, with a team of horses, and branched out into logging, contracting, house-moving, the ice business, and many allied fields. He was always an extreme individualist.

Mr. Blaisdell was one of the early members of the Wilmington Fire Department, supplying a team of horses for the fire wagon which was kept at Wilmington center. He assisted in the fires which burned down the old railroad depot, in 1897, and at the time when the Ames Block burned, in 1903. He was also Superintendent of Streets, for several years, starting in 1925, at which time he bought the first steam roller for Wilmington.

He was a source of information about Wilmington in the days of his childhood, and used to relate with relish stories about how the boys would have to go to Wood Hill, on Sundays, to play baseball, in order to elude Sam Rice, the Constable, and he was well known, in his youth as a long distance skater. One of his better known feats was the time he skated from Wilmington to Lynnfield, starting and returning at the bridge on Lowell Street, over the Maple Meadow Brook.

CARD OF THANKS

Mrs. Irene Rogers, who is now convalescing at her home on Shady Lane Drive would like to express her gratitude for the many prayers, flowers and cards received by her while in the hospital.

INJURIES IN THREE-CAR ACCIDENT

Harry Tracy, 58 years old, of 25 Woodside street, Salem, suffered injuries to his elbow, in a three-way accident, near the Wilmington Grain Company, on Main street, on July 22. He didn't want any medical attention. At the same time, Benedetto Ruscillo, 19 Wendell street, Winchester was taken to the St. John's hospital in Lowell, in the fire department ambulance, as a result of suffering a disrupted ulcer. He was taken from his car in an unconscious condition.

The accident occurred about 1:45 p.m. when Aristide Brabant, taxi driver of North Wilmington stopped his taxi to let a car ahead make a left turn into the grain company's yard. The

car, driven by a woman, could not be found after the accident.

Tracy's car, second in line, rammed the rear of Brabant's taxi, and Ruscillo's car, third in line, rammed the rear of Tracy's. The third car suffered the worst damage. Paul J. Lynch, Chief of Police, who was behind Ruscillo was was able to avoid striking the car ahead of him only

because Ruscillo's car had bounced to one side, instead of straight back. All cars were going north at the time of the accident.

MAKES DEAN'S LIST

Congratulations to Edward J. Field, Jr., of School street. Eddy has just received notice that he made the "Dean's List" at the University of South Carolina, where he is studying.

LITTLE LEAGUE
SCHEDULE DELAYED
ONE WEEK

The Wilmington Little League Schedule has been delayed one week, because of the Woburn - Wilmington game, played here last night, in the Little League Tournaments.

The last week of the Wilmington Little League season will be:

Yanks vs. Red Sox Aug. 1
Tigers vs. Yanks Aug. 2
Indians vs. Red Sox Aug. 3
Red Sox vs. Tigers Aug. 4

Standings: W L
Red Sox 9 5
Tigers 8 7
Yankees 8 7
Indians 5 12

ST. THOMAS NEWS

Sunday Masses:

At 7, 8:15, 9:30, 10:30 and 11:30.

Weekday Mass:

At 7:45

The Sacrament of Baptism is administered each Sunday at the Rectory at 2 p.m. No appointment is necessary.

This is the last week of the CYO baseball team activities. The team played immaculate Conception in Woburn on Monday, and the Burlington Youth Club on Tuesday. It finished second in the District league, St. Joseph's of Wakefield taking first place.

A CYO swimming meet will be held next Sunday, August 2nd, at the George White Pool, in Charlestown. It is open to all boys and girls between 12 and 26. We will enter a team if there is enough interest. Please enroll at the Rectory this week.

Your prayers are requested for the repose of the souls of Joseph Breen, Joseph Kelley and Mary McGrane, who were buried this past week, and for our deceased friends and relatives.

WILMINGTON DEFEATS
BURLINGTON 12-2
IN LITTLE LEAGUE OPENER

Displaying tremendous power at the plate, combined with a stellar pitching performance by Johnny McCabe, Wilmington defeated Burlington's Little League, in the first round of tournament play, at Wilmington, last Saturday.

Johnny McCabe, the Wilmington pitcher, had the best game of his Little League career, having 11 strikeouts and allowing only one walk and 3 hits. McCabe himself was the leading sticker, with three hits out of four times at bat.

Three homers marked the game, two by Wilmington, and one by Burlington. Dick Hersom, Wilmington catcher hit the longest homer of the season, at the Wilmington Little League park the ball traveling

well over 200 feet over the center field fence. Eddy Casey, right fielder for Wilmington hit his first homer of the season, in the fifth inning, in a drive that carried over the right field fence. Frank Sarno, right fielder for Burlington got the only solid hit off Johnny McCabe, when he drove a homer over the center field fence in the second inning. Sarno is one of the leading home run hitters in the Burlington league.

For the first two innings it was an even ball game, but from the third inning on, Wilmington took charge, scoring two runs in the third, one in the fourth, and seven big runs in the fifth. McCabe was completely master of the situation, throughout the game.

PONY LEAGUE
TAKES DEFEAT
IN TEWKSBURY

The Wilmington Pony League All Stars were defeated by Tewksbury, in a game in that town, Monday. The final score was Tewksbury 4, Wilmington 3. Bob Hastings, pitcher for the Little League Indians, was on the mound for Wilmington. Too many errors by Wilmington told the tale.

A return match is expected.

AGED WOMAN DIES
IN HEAT ATTACK

Mrs. Pauline Geardini, 79 years old, of 244 Main street, Medford, died in a Lowell hospital, on July 24th, after suffering from a heat attack at the home of James Biagi, Jacquith road at 10 a.m.

The Wilmington Fire Department and Police Department were called to the Biagi home, and oxygen was administered to the aged woman, under the direction of Dr. Gerald Fagan, before and while she was being transported to Lowell in the fire department ambulance.

OF WILMINGTON

GLORIA VANDERBILT STARS IN LAKE WHALOM'S "PICNIC"

Gloria Vanderbilt, celebrated poor little rich girl, and Jack Warden of "From Here to Eternity" fame, are presently packing the Lake Whalom Playhouse to capacity in their presentation of William Inge's Pulitzer Prize play, "Picnic." With Miss Vanderbilt displaying her talents in the role of Madge Owens, a five and dime sales-girl, and Jack Warden as a disillusioned ex-college football hero, the play provides a series of scenes either leaving the audience laughing up a storm or brushing a few tears aside.

Although both Miss Vanderbilt and Mr. Warden do

an admirable performance in difficult roles, Helen Auerbach as Madge's sister, Millie, and Louise Larabee, a frustrated school teacher boarding in the Owen's home, captivated the attention of the summer stock fans.

Under the direction of resident Frank Lyon and Miss Vanderbilt's personal director Albert Penn, the play captivates the audience.

The entire production is under the personal supervision of Guy Palmerton, the playhouse's manager, who incidentally treated the staff of the News to four first row, on the aisle seats.

The play will continue its run with performances nightly beginning at 8:30 and an extra matinee at 2:20 on Saturday. Ample parking facilities are available.

TOURNAMENT

cont. from page 1
ford had withdrawn, leaving Billerica without a game, or what is called, in Little League parlance, a "bye". Half of the teams that played, of course, lost, and had to withdraw from the competition. The second half advanced to Round Two, which was played on July 26th.

The sites for Rounds One and Two are picked by the toss of a coin, but the site for Round Three games, and all subsequent games are determined by Little League officials, as the Tournament progresses. On July 28th., when Round Three is to be played there will be only eight leagues surviving, in District Three, and when Round Three is completed there will be only four leagues to play in Round Four, on July 30th. One of the games of Round Four will be played at the Converse Field, in Malden, and the other at the Woburn Little League Park, in Woburn.

The Woburn Little League Park is probably the best Little League field in New England, and was thus chosen not only for Round Four, but for Round Five and Six as well.

Round Seven will be in Williamsport, Pa., and will be the big payoff, for any team lucky enough to survive that long. The World's Championship is the goal.

LANDOWNERS REAP \$ \$ \$ HARVEST

Last year thousands of land-owners cashed in on royalties totaling more than 900 million dollars. Thousands more throughout 38 states received lease bonuses and rental payments on 249 million acres not yet proved productive, and they'll keep on getting checks every year until their leases terminate. The income generated by petroleum exploration and production is an important factor in the nation's prosperity.
